Protect baby's skin with Nature Within

ORGANIC baby skincare company, Nature Within is proud to launch the new Nature Within Soothing Moisturising Eczema Cream Aust L: 168199.

Expanding on the hugely popular babies range, this delicate cream contains only the purest active ingredients.

Nature Within Soothing Moisturising Eczema Cream contains a nourishing blend of Shea Butter, extracted from the African Karite tree; it has tremendous skin softening properties and cell regeneration activity.

Aloe Vera containing vitamin B complex, folic

acid, vitamin C and carotene, is cooling, soothing and moisturising, ideal for sunburn, insect bites and other skin irritations.

Vitamin B5 for its hydrating and reputed, wound healing properties and Gota Kola herbal extract, used in the treatment of burns, skin ulcers, eczema, scars and dry itchy skin.

Calendula is used to promote skin healing and repair.

It has anti-inflammatory properties which is excellent for wounds, chapped, cracked skin, eczema and burns.

NADINE Hall, creator and director of Nature Within committed three-years to the development of this latest product.
