COTTON TAILS

Check out Organic Boy And Friends underwear at Modern Little Munchkins. It's made from 100 percent organic cotton and features soft elastic on the waist. There are designs to fit both boys and girls aged from one to six. The underwear is available for \$29 in either a pack of two or with a matching plain organic cotton singlet – an ideal combination. Go to modernlittlemunchkins.com.au for more information and to purchase.

Baby beauty

Priced at \$59, this baby gift pack by Nature Within is a great way to start looking after your baby's skin. Formulated by a qualified aromatherapist, the products are unscented and hypo-allergenic, and contain no essential oils, so they are suitable for eczema-prone or dry skin, and incorporate nurturing oils such as avocado and evening primrose. The handy pack includes Baby Moisturiser, Baby Massage And Bath Blend, Baby Body And Hair Cleanser and Baby Bottom Balm. See naturewithin.com.au for more information.

Shady babes

Protect your baby from the sun's rays with this full-brimmed organic cotton sunhat, \$24.95, available in sizes to fit newborns up to kids aged four. Team it with this striped organic cotton dress, \$39.95, which comes in sizes to fit bubs aged three months to two. Head to naturebaby.com/au to purchase and for more fab finds.

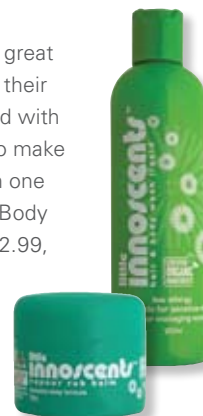

DRINK UP

This training cup by WeilBaby is made from a new plastic called Tritan, a copolyester that is heat and chemical resistant, and contains no BPA, phthalates or toxins. The cup holds 150ml of liquid and has interchangeable teats and an AirWave venting system that is easy to clean. The cup is available in a range of fun colour combinations and is priced at \$17.95. Visit ecobabe.com.au.

Skin soother

Little Innocents has had a great makeover! Each product in their range is now clearly labelled with its specific health benefit to make it easier to figure out which one is right for you. The Hair & Body Wash Liquid is priced at \$12.99, while the Vapour Rub Balm is \$10.99. Take a look at littleinnocents.com.au to purchase and view the whole range.

Water wise

Method Smarty Dish dishwashing tablets are non-toxic and are biodegradable, making them a safe choice. A pack of 20 tablets is priced at \$9.99. Get them at your local Woolworths or methodhome.com.au.

Snug as a bug

The built-in hood in this cotton baby wrap by Nature's Child is great for keeping your bub snug. Made from certified organic cotton, the cosy wrap contains no dyes or fabric softeners, so it's safe for your baby and also the environment. The wrap measures 75 x 80cm and is suitable for newborns up to one-year-olds. Priced at \$29.95, it's available from natureschild.com.au.
